

DON'T BLOW IT

Prevent yard waste, sediment, trash, or debris of any kind from entering the storm drainage system

Keep all ditches and drainage ways clear of obstructions so stormwater can flow freely

More information can be found at
www.runnemedenj.org

Do

Blow yard waste back onto a landscaped area, not into the street or storm drain.

Collect and contain yard waste for Borough collection.

Grasscycle! Grass clippings can stay on the lawn to provide nutrients and moisture the soil and reduce the need for fertilizer.

Do Not

Do not blow, sweep, dump, direct or place yard debris, sediment, or trash into any street, storm drain, ditch, pond, creek, etc.

Do not put yard waste in the regular trash.
